SUB CLAUSE 7.7 'IMPORTS'

- a) An 'import' is any player selected in the Association's junior or senior representative or development team/s / squad, transferring membership to a new club for the following winter competition. Import status for grading purpose for all registered players will be based on their representative selection status and club registration for the preceding Winter Competition.
- b) A club may register one 'import' per junior or senior team in the Winter Competition.
- c) Unlimited imports are permitted for Night Competition, however, imports for the following Winter Competition will be based on registrations for the preceding Winter Competition.
- d) Upon nominating for selection an import player is required to complete and submit the BCNA player transfer declaration attachment and obtain the signed club endorsements required to release and transfer existing club membership.
- e) In the event an import player is not re-nominating for selection, upon registration with a new BCNA club they are required to complete and submit the BCNA player transfer declaration attachment and obtain the signed club endorsements required to release and transfer existing club membership.
- f) An import player from the preceding Winter Competition that does not nominate for re-selection or is not re-selected retains import status for the purposes for the import rules and grading for the following winter competition.
- g) An import must be identified on team registration forms with a # as well as an * See also By-Law 8.3.
- h) In exceptional circumstances a player may appeal to the Executive to be exempted from the import ruling.
